

FUSION CHALLENGE

PROGRAM (NEW FALL 2021)

What is the Challenge Program?

The Challenge League (level 3) is for players who love the game of soccer and want to challenge themselves with more than what is offered at the recreational level (level 4). This will act as the bridge between Recreation (level 4) and Classic (Level 2). The Challenge program gives an opportunity for the 'multi-sport athlete' who wishes to compete in a variety of sports in the same season.

Who?

Starting in the fall of 2021 (with registration opening June 1st 2021) players born in 2010/2011 will have a fall season that will include will include 2 practices per week and 8 games (on 4 weekends total) plus one end of season tournament. Same details will apply to the spring season 2022 with registration in Oct Nov.

Why?

Local travel, convenient training and game locations, affordable, fun and competitive. The Challenge league offers twice the training of Level 4, but only half the weekend commitments needed for Level 2.

Who will be coaching?

Coaches will be volunteer licensed and selected through an application process which will raise the level of the league. Coaching support and direction will be provided by NC Fusion Head of Level 3.

Cost?

\$350 per season which includes 8 games and one end of season tournament. Discount rate at \$600 when registering for both fall/spring seasons.

How do we join the program?

- 1) Register your son/daughter (born 2010/2011) for the Challenge Program.
- 2) Select your preferred practice location.
